# Introduction

Please contact the Careers Coordinator:

Kate Thomson Reading Girls' School Northumberland Avenue Reading RG2 7PY

Email: kthomson@readinggirlsschool.net

Phone: 0118 9861336

# **Provider Access Policy**

For colleges and education providers, the Provider Access Policy is available on the <u>Policies section</u> of the Reading Girls' School website

Information and the policy also available on the External Providers page of the school website.

# **Current State**

### **Destinations Data**

- Students not in employment, education or training (NEET) after their GCSEs: 2022 1 student; 2021 0%, 2020 1%; 2019 1%; 2018 0%
- In 2022, ex-students went on to a wide variety of colleges and 6<sup>th</sup> forms including Kendrick, Maiden Erlegh, Reading College, Henley College, Highdown, Bulmershe, Chiltern College, and one student got a scholarship to private schools.
- Most students with special education needs, those receiving Pupil Premium funding, and White British students went to Reading College
- In 2022, 84% of all students went on to Level 3 Courses, including A Levels, vocational Courses and apprenticeships. Of Pupil Premium students, 80% went on to Level 3 Courses. Of White British students this number was 86%, and for SEN students it was 57%.

### **Gatsby Benchmarks and RGS Compass Scores**

There are eight benchmarks that are the core dimensions of good careers and enterprise provision in schools. These are recorded and assessed on our data systems and the Compass system. While we are doing some excellent work there is room for improvement and the school's current scores are:

- Benchmark 1 A stable careers programme 100%
   Information specifically for teachers is now available for them and feedback about last year's careers education plan for 2022-23 was sought from all stakeholders
- Benchmark 2 Learning from career and labour market information 100%
   Students research opportunities about careers and labour market information has been improved and is being embedded
- Benchmark 3 Addressing the needs of each pupil 100%
   Students have been issued with hardback books to record their careers and enterprise activities. We are working to improve tracking of students for 3 years after they leave RGS
- Benchmark 4 Linking curriculum learning to careers 93% There is still slight room for improvement for careers in the curriculum in some subjects
- Benchmark 5 Encounters with employers and employees 100%
   Students in each academic year have meaningful encounters with employers and employees through Personal Development Days, Deeper Applied Learning, STEM days and other events
- Benchmark 6 Experiences of workplaces 50%
   RGS does not currently run work experience and the effects of Coronavirus and the economic downturn have curtailed many workplace visits. Year 7s and 8s get some experience as helpers for Reception and the Pastoral team, and good quality work experience opportunities are advertised to students.
- Benchmark 7 Encounters with further and higher education 100%
   Students have meaningful encounters with further and higher education during Personal Development Days, Deeper Applied Learning, STEM days and other activities, and we are improving opportunities for encounters with independent training providers.

### • Benchmark 8 – Personal guidance - 100%

Students in year 8 have group sessions with a qualified careers adviser before choosing their GCSEs. All students in year 10 have a personal meeting as do selected other students.

### Labour Market Information

- National Trends
  - Over recent years, the number of mid-level jobs has been going down, while the number of high-level management and professional jobs has gone up, as have low-level jobs in care, retail and logistics.
  - Advances in technology have meant that science, technology, engineering and maths (STEM) subjects and careers are sought after and also digital skills. Automation has meant an increase in jobs in IT and cybersecurity, though a decrease in some manual jobs.
  - There has been increasing competition for roles as more skilled workers around the world are working till later in life.
- Thames Valley
  - o The Thames Valley normally has low levels of unemployment
  - The main employment sectors are: IT & Digital Tech; Science & Engineering; Health, Care & Welfare; Sales & Customer Service; Construction; Business & Finance; Transport & Distribution; Education; Hospitality; Creative
  - The priority sectors currently on a recruitment drive in Berkshire are: Digital Tech; Health & Care; Life Sciences; and Business & Finance
- Further information about Labour Market Information is available through the Office for National Statistics, LMI for All or <u>Thames Valley LEP</u>

### **Covid 19 and the Economic Downturn**

The ongoing effects of **Covid19** are still being felt by Students, Parents, School Staff, Governors, local Employers and further and higher education providers. The full consequences on finances, general health and on mental health are still coming to light.

The **economic downturn** has affected some organisations but most businesses, further/higher education and charities are still keen to engage with schools. Many are willing to engage virtually which has opened up opportunities though it has some negative outcomes.

# **Our Vision:**

| <b>Vision</b>  | <b>Core Values</b>   |
|--|--|
| (The purpose of the school)  | (The way we do it here)  |
| To inspire every student to be happy, successful<br>and aspirational, equipping them with a curiosity<br>and love of learning and the social, moral and<br>personal skills and qualities needed to access a<br>broad range of opportunities to achieve their full<br>potential in life and act as responsible citizens of<br>the world | By fostering a culture of academic excellence,<br>kindness and respect for oneself and others<br>By embedding a culture of deeper applied<br>learning through sequential R.E.A.L<br>curriculum experiences within and beyond<br>the classroom. |

**Our Careers Vision:** Each and every student will achieve their true potential and be prepared for the ever-changing world of work

### **Our Careers Aims:**

- To inspire students and give them an understanding of the adult world of employment, locally and nationally
- To enable students to make informed decisions about their future, especially with regards to further and higher education, apprenticeships, and other training and career opportunities.
- To enable students to manage the transition from school to new roles and situations
- To develop character and resilience and give them the skills required to function in life and work through enrichment activities and The *Pledge*
- To develop students' knowledge, skills and understanding of the world of work through *deeper applied learning*
- To encourage attainment and lifelong learning so that students can achieve their goals, cope with change and be prepared to take advantage of opportunities throughout their life
- To give all students the same opportunities so that each and every student achieves the best outcomes for them personally
- We will do this through lessons that are *Relevant, Engaging, Active Learning* (REAL) and our *Personal Development programme*. Key Stage 3 students will have regular *STEM* lessons to highlight relevant careers and learning and develop their skills.
- All students have an achievement record to record their careers, enterprise, pledge and enrichment activities and achievements

# **Key Strategic Objectives for Careers Education**

- Motivate and inspire all students, particularly those who are disadvantaged, white British and those needing extra help, so that each and every student achieves their true potential
- Continue to improve students own research about careers, use of labour market information, and recording of their experiences and skills so that each and every student is fully informed and makes the best choices for them personally
- Develop systems to improve staying in touch with students after they leave RGS to support ongoing review and evaluation of our careers programme and involve alumni in careers activities
- Aim for all students having an experience of a workplace so that they can discover for themselves what the world of work is like and its expectations
- Improve communication with all stakeholders (students, parents, staff, providers and employers) about careers and RGS careers education

# Feedback, Monitoring and Evaluation

### Feedback on activities

- PSHE workbooks
- Exit polls such as Yes/No as for REAL lessons, thumbs up/down, etc
- Discussions with Student Leadership Team
- Pledge/STEM/Personal Development workbooks
- Staff feedback
- External visitor feedback forms
- Student surveys
- Parent surveys

### Monitoring of actions

- Compass+
- Data records
- Online research website reports

### **Evaluation of Careers Plan and Careers Programme**

- Liaising and discussion with key business supporters such as our Enterprise Adviser, CISCO, Thames Water, KPMG, and RAL
- Liaising and discussion with external bodies such as CEC and BITC
- Liaising and discussion with Trustees and other schools in the Trust
- Staff surveys
- Parent surveys
- GCSE results
- Destinations Data
- Attendance figures for PD Days, STEM lessons
- Behaviour figures for PD Days, STEM lessons
- Attainment

### **Gatsby Benchmarks for Good Careers Guidance**

In 2014, Lord Sainsbury's Gatsby Charitable Foundation published a report by Professor Sir John Holman, Adviser in Education at the Gatsby Charitable Foundation, titled "Good Career Guidance." The report identified eight benchmarks that are the core dimensions of good careers and enterprise provision in schools.

### The eight Benchmarks are:

- Benchmark 1 A stable careers programme
- Benchmark 2 Learning from career and labour market information
- Benchmark 3 Addressing the needs of each pupil
- Benchmark 4 Linking curriculum learning to careers
- Benchmark 5 Encounters with employers and employees
- Benchmark 6 Experiences of workplaces
- Benchmark 7 Encounters with further and higher education
- Benchmark 8 Personal guidance
- You can find out more about the Gatsby Benchmarks through:
- The Careers & Enterprise Company Gatsby Benchmark Toolkit for Schools here

Or through the Gatsby Foundation report here

# Careers Programme 2023-24

Review Date: September 2023 Next Review Date: September 2024

# **Our School Vision:**

| Vision  | Core Values  |
|---|--|
| (The purpose of the school)   | (The way we do it here)  |
| To inspire every student to be happy,   | By fostering a culture of academic   |
| successful and aspirational, equipping them   | excellence, kindness and respect for oneself   |
| with a curiosity and love of learning and the   | and others   |
| social, moral and personal skills and qualities<br>needed to access a broad range of<br>opportunities to achieve their full potential in<br>life, and <b>act as responsible citizens of the</b><br><b>world</b> | By embedding deeper applied learning<br>through sequential R.E.A.L curriculum<br>experiences within and beyond the<br>classroom. |

**Our Careers Vision:** Each and every student will achieve their true potential and be prepared for the ever-changing world of work

### **Our Careers Aims:**

- To inspire students and give them an understanding of the adult world of employment, locally and nationally
- To enable students to make informed decisions about their future, especially with regards to further and higher education, apprenticeships, and other training and career opportunities.
- To enable students to manage the transition from school to new roles and situations
- To develop character and resilience and give them the skills required to function in life and work through enrichment activities and The *Pledge*
- To develop students' knowledge, skills and understanding of the world of work through *deeper* applied learning
- To encourage attainment and lifelong learning so that students can achieve their goals, cope with change and be prepared to take advantage of opportunities throughout their life

- To give all students the same opportunities so that each and every student achieves the best outcomes for them personally
- We will do this through lessons that are *Relevant, Engaging, Active Learning* (REAL) and our *Personal Development programme*. Key Stage 3 students will have regular *STEM* lessons to highlight relevant careers and learning and develop their skills.
- All students have an achievement record of their careers, enterprise, pledge and enrichment activities and achievements

# The Careers Development Institute Framework

'Career' describes our journey through life, learning and work. We need to actively develop our careers to make the best of them. This process of career development takes skill as well as knowledge and the right attitude. Individuals need to work on career development skills throughout their lives. The Careers Development Framework has been developed by the Careers Development Institute with the Careers & Enterprise Company

Learning Objectives are a journey and show development

### For a positive career and lifelong career development, you need to...

|     | <b>Grow throughout life</b><br>Grow throughout life by learning and reflecting on yourself, your background, and your<br>strengths.                                   |
|-----|---|
| Q   | <b>Explore possibilities</b><br>Explore the full range of possibilities open to you and learn about recruitment<br>processes and the culture of different workplaces. |
|     | Manage careers<br>Manage your career actively, make the most of opportunities and learn from setbacks.  |
|     | <b>Create opportunities</b><br>Create opportunities by being proactive and building positive relationships with others.   |
| ণ্ট | Balance life and work<br>Balance your life at work with your wellbeing, other interests and your involvement<br>with your family and community.                       |
|     | See the big picture<br>See the big picture by paying attention to how the economy, politics and society<br>connect with your own life and career.                     |

### **Careers Programme**

An overview of the careers activities and also the learning aims & objectives for each year group are shown on the following pages. Please note that these are subject to Change

### Parents are informed:

- of choices available to students for GCSE options
- of education and employment choices available to students after their GCSEs by email, with information on the website and at parents' evenings

# **Supporters and Providers**

We work with **organisations** such as a careers advice service, the Careers & Enterprise Company, the University of Reading and Study Higher, as well as local 6th forms and colleges. We have good long term relationships with local **businesses**, such as Amazon, Cisco, KPMG and Thames Water, who provide volunteers from the world of work to help with events and activities.
