Dear Parent / Carer,

Year 9 Science Trip to Thorpe Park

As part of the Reading Girls' School philosophy of going together further, we would like to inform you of a fantastic trip opportunity to visit Thorpe Park.

The purpose of this trip is to explore the science behind the rides. Students will participate in the physics behind the rides workshops within Thorpe Parks education suite. Students will then have an opportunity to go on the rides and feel the physics in motion.

Key Information	
Date of Trip:	Thursday 6 th June
Location	Thorpe Park
Start Time:	Leave school at 9.15am
Finish Time:	Return to school at 3.30pm
Requested Contribution:	The parental contribution for this trip is £41 via Parentpay If insufficient funds are collected it may mean that the event has to be cancelled and a full refund will be issued.
Additional Information:	Clothing – School Uniform and pencil case. Required food – Lunch and snacks Weather considerations – Dependant upon forecast, please check in advance.

If you would like your child to participate on this trip, please register your interest by completing the reply slip included within this letter. Once completed, please return the reply slip by Wednesday 20th March. Places on the trip are limited, if more than the maximum number wish to go, names will be drawn as a ballot and will be placed on a waiting list. If your child is allocated a

place on the trip the payment of £41 will need to be paid by no later than 19th April through ParentPay. If payment is not received, your daughters place will be offered to another student.

We have the highest expectations for behaviour from our students, whilst both in school and on trips, and our students rarely let us down. However, please be aware that your child may be removed from an event if their behaviour falls below this standard and this will mean the loss of any money already paid towards the trip. Please note that all payments are non-refundable in the event of having to remove a child from a trip/event.

If you have any queries or any further questions, please do not hesitate to contact me.

Kind Regards,

Philippa Boyd
