If students have a medical condition, including asthma, or you have previously stated they have a medical condition they must bring any medicine required with them, including an inhaler. These will be checked as students embark on the bus. If your child's medical information is not up to date, please contact the school so we can ensure our records are accurate.

We have the highest expectations for behaviour from our students, whilst both in school and on trips, and our students rarely let us down. However, please be aware that your child may be removed from an event if their behaviour falls below this standard and that this will mean the loss of any money already paid towards the trip. Please note that all payments are non-refundable in the event of having to remove a child from a trip/event.

If you agree in principle and would like your child to attend the trip, please make your payment via Parentpay no later than Friday 22nd March 2024. If you feel you have financial circumstances which make it difficult for you to make the required payment, please do not hesitate to contact me to talk in confidence.

If you have any queries or any further questions, please do not hesitate to contact me.

Kind regards,
