

Opportunities to work with students – 2021-22

We have some exciting opportunities for businesses, employers, community groups and other organisations to work with our students to help them understand and prepare for the world beyond school.

Personal Development and RE Days	All students are off timetable for the day for RE, PSHE and careers activities	All Year Groups	Wed 13 October Tue 2 November Thurs 25 November Wed 2 February Thurs 17 March Wed 6 April Fri 13 May Tues 12 July
STEM Days	Year 7 and Year 8 students have a full day of STEM learning. Focussing on real life scenarios, they develop their awareness of these subjects, and gain inspiration and aspiration. They also develop their personal skills such as teamwork, planning, communication, problem solving and resilience.	Year 7 Year 8	Tuesdays throughout the year
Deeper Applied Learning	To bring the curriculum to life, departments will be working together on projects with cross curricula themes, linking directly with employers and professionals to bring greater awareness and knowledge of the real world to the subject studies in school.	Year 7 Year 8	Ongoing throughout the year
Pledge	To raise self-confidence and knowledge of the world about them, particularly the local community, all students have Pledge lessons. They will use this time to prepare and do volunteering, fund-raising or awareness campaigns.	All year groups	Ongoing throughout the year

We have opportunities for guest speakers, careers talks, mentoring, workplace visits, judging competitions, interview skills and more! We would love to hear from you if you are able to help!

If you would like to discuss or volunteer for any opportunities, please contact Kate Thomson, the Careers & Employability Skills Coordinator.
