

Reading Girls' School

Principal: Marika Farrugia

September 2021

Dear Parents/Carers

I would like to take this opportunity to remind you of the car parking and traffic system that we have in place at Reading Girls' School.

The school car park gates will open every day between **8.00-8.30am and again between 3.05-5.45pm**. The row of car parking spaces nearest the bike sheds will be kept largely free to allow you to pull into a space in order to drop off/pick up a student. I would be very grateful indeed if you could please emphasise to your daughter that if you are collecting her by car, that she is to wait for you on the pathway and not to step into the driving area.

Should there be an opportunity, we would like to encourage walking or cycling to school. If it is necessary for you to drive your daughter to school then please team up with other families and run a car pool system.

Moreover, those pupils not being collected by car are to use the pedestrian access to Northumberland Avenue. I kindly ask therefore that no vehicles stop on the busy road in front of the school.

Finally, as of 13 September 2021 ALL vehicles leaving the school site will be required to TURN LEFT onto Northumberland Avenue in order to ease the congestion in the car park.

Yours sincerely

Sally Elliott
Assistant Principal
